

Swampscott Health Department's Free Narcan® Trainings

Public Health
Prevent. Promote. Protect.

**Please check our website often for
upcoming free Narcan® Trainings**

**You can also call the Public Health Nurse
to set up an appointment for a
free and confidential Narcan® training**

***Once you have completed the
training, you will receive
free Narcan® as well as
free fentanyl test strips
along with other prevention
information and resources**

**For more information, or to schedule an appointment,
please call: 781-596-8864 x1280**
