Meeting called to order at 7 PM

Humphrey St discussion continued

4 steps of a plan

Planning and Objective
Process and award needing transparency
construction
agreement

We spoke about being Proactive through this whole process and that us being not included has caused us to be reactive

We spoke about another letter needing to be presented to the selectmen with the following things being brought forward
violations of civil liberties
wheelchairs having no access to sidewalks

We spoke about reasonable requests that did not happen

we did not receive updates
curb cuts were not made accessible
there were no safe crossings
barriers were not correct
