7 PM meeting called to order by Chairman Gino Cresta

A motion was made to accept the meeting minutes from the 10-3-16 meeting. Unanimous approval.

CH presented 2 separate permit sets for the turf field project. One plan was project specific (field and stadium) while the other plan incorporated many items from the master plan.

The group reviewed each plan, page by page, to determine which items should be included in the final permit set.

CH will amend and merge both sets of plans into one final permit set for review by the committee.

While CH is preparing these documents the committee will begin to prioritize those items that are not part of the project specific scope in an effort to create a "pecking order" .

CH, GC, DS and PS will be meeting with the town planner and building inspector to identify which permits will be required for this project.

Meeting adjourned at 9pm
