Chief Madagin – Police – see attached PowerPoint Presentation

- Purchase Force Training HiFi Simulator 35k F/Y 18
 - Quarterly training within the station along with their current policy of “only” annually two live shoots
 - Increasing the HiFi Sim training will train quicker decision making to the officers when split second decisions are required.....for “shoot don’t shoot” scenarios.
 - Sim training will also enhance the officers awareness for de-escalation for hostile scenes.
 - Question: can the training center be utilized by neighboring communities ?
 - Will the Sim Training make Swampscott a center of excellence
- Replace two marked patrol units F/Y 18

Pete Kane – Community Development – See attached PowerPoint presentation

- Town grant program/s building façade Improvement 0 percent loan offered to make improvements. This program is part of the town’s master plan
 - Question: Who would ok the grants?
 - Answer: Committee to be formed
