Virtual Meeting Minutes

Thursday, June 1. 2023

7:00 pm

Jackson Schultz, Ted Dooley, Steve Speranza, Whisky, Scott McBurney, Lisa Boemer, Jay Borkland and John McAllister from McAllister Engineering.

- 1) The committee reviewed and unanimously approve the 5/1/23 Minutes.
- 2) The next agenda item was the discussion of the two locations for the proposed new pier. After a spirited discussion it was clear that there was no consensus as to its location, so the topic was tabled and no vote was taken.
- 3) The next topic was having a booth at the upcoming Harbor and Marine Fest, 6/10. It was agreed to have a booth there as part of our public outreach. It was also agreed for us to have a booth at this summer's Farmer's Market. The plan is to also do a presentation at the Swampscott Yacht Club as well as hosting a forum at the High School.
- 4) There was no community input and the meeting adjourned.
