1 Direct interaction at our meetings

Elements: Water Front -Beach Up (Hotel, Industry, Chapter 91)

Water Sheet – Docks Boats, Sewage

Referenced “Living Reef-Staten Island and focus on waterfront at next meeting

Ulv: Referenced the Breakwater at Scituate & Jerry Brenner house on harbor

Commented [LS1]:

Jackson: referenced: a potential to “farm eel grass”

Ulv: Asked what is the effect for “Storm X” and what may it do to Swampscott

Jackson: Effect of Flood insurance from the installation of a Breakwater

Steve: Bed & Breakfast Zoning is established

How would our Harbor Plan fit into the New Zoning

Milton: Is the Plan set up with specific tasks

Jackson Summarized

Grant... where is the money

Small Boat Storage, Sailing, Kayak, Paddleboards

Breakwater study

Jay: Referenced Harbor walk- Connect town to water front

As Salem and Marblehead

Jay: theme Need one,

Elv: Parking vs walking trail needs to blend connectivity to down town commuter rail – to down town
Swampscott... Offer Free Wi-fi

Breakwater part of revitalization, increase revenue, ties into total city plan

Jay: Regulations want to know public is “onboard”

My wife is Bus Director of Boston Symphony Orchestra.

History of the water front is rich in history

Tie in Fish House -Dory-Lobster traps

Propose “Pocket Parks” Pvt. land could be donated/leased to provide water/harbor view

Letterhead- Jackson

Has contacts for designs, Steve Webster, Nancy "Whickey"

Discuss: Beach Fires, Conservatory blocked Phillips Beach

No jurisdiction at Fisherman's beach, "open"

Milton: Go to Board of Selectman

Secure approval for Breakwater or present without their approval

\$115K was designated for breakwater

Meeting Completed
