

## Swampscott Historical Commission

ELIHU THOMSON ADMINISTRATION BUILDING  
22 MONUMENT AVENUE  
SWAMPSCOTT, MASSACHUSETTS 01907

JUSTINA OLIVER, CHAIRPERSON

### Calling for Nominations! 2023 Preservation and Restoration Awards

The Swampscott Historical Commission invites residents to submit nominations for the 2023 Annual Preservation and Restoration Awards. You can nominate yourself, a friend, or a neighbor to celebrate efforts to preserve and restore historic properties that maintain our town's character and beauty. These properties can include residences, commercial buildings, or other structures whose preservation or restoration maintains or is faithful to the original design or style.

Eligible award categories are restoration/rehabilitation, stewardship, adaptive re-use, and landscape preservation. Awards are presented in consideration of the following criteria:

- The historical and architectural integrity of the property preserved
- The exceptional quality of a rehabilitation project
- The extent to which the project contributed to the preservation of the property
- The impact of the preservation of the neighborhood and town's historic resources.

Please complete the form below, including a minimum of 4 photographs (of various angles) and mail, email or drop it off no later than April 15, 2023 to:

Swampscott Historical Commission, 22 Monument Avenue, Swampscott, MA 01907

OR e-mail to: [shc@swampscottma.gov](mailto:shc@swampscottma.gov)

The primary consideration for awards is from the exterior public view, although interior preservation efforts are also considered. The winners will be announced in May 2023.

Property location:

Owner:

Description of preservation or restoration efforts:

Work completed by: (contractor, architect, tradesman, etc.)
