The Swampscott Contributory Retirement Board will be holding a hybrid live and virtual educational forum to allow employees, retirees, Town meeting members and the public to gain a better understanding of the process the Retirement Board undertakes to calculate the Town's contribution to the Retirement System. In addition, the Board will explain the legal requirements and restrictions put in place by the Public Employees Retirement Administration Commission (PERAC) that directly impact the funding process and retirement benefits.

The forum will live stream on:
