RE: Results of Information Technology Contract

Dear Proposers:

After a lengthy and comprehensive process, the Town is excited to announce that we have selected HiQ Computers as the winning proposer at the conclusion of our Information Technology Management Services Contract.

We would like to thank all of the proposers for their thoughtful and comprehensive proposals and for their participation in this process. This was a difficult decision to make, but we are confident that we made the right decisions and look forward to our relationship with HiQ Computers.

Very truly yours,

M. Ronald Mendes
