

BOARD OF LIBRARY TRUSTEES

TRIPT SEMBHI, CHAIR JOHN TRIPP, VICE CHAIR ELLEN WINKLER, SECRETARY

ALYCE DEVEAU, DIRECTOR

Board of Library Trustees Minutes September 17, 2020

Presentation of the minutes of last meeting- Alyce presented the minutes of the last meeting

Discussion of Community meeting- Ron Lamarre discussed the points that were raised at the community meeting that was held on the town green on Sunday, August 30, 2020, Patrons who attended listened to the results of meetings that Mr. Lamarre had with staff, trustees and Friends. He then opened up a discussion with attendees to deliver their input on the needs, hopes and dreams for the Swampscott Library. Patrons made suggestions from improving the entry way into the building, improving the teen area in the building, expanding hours per week and just giving a facelift to the interior of the building.

The Trustees discussed meeting privately and doing a walk through in the building to get a better perspective on the changes that could be made.

Alyce reported that two of the HVAC air handlers are not working properly and they will be repaired as soon as the school are all working. Plans for the reopening of the library have been put on hold.

Miscellany
