

BOARD OF LIBRARY TRUSTEES

TRIPT SEMBHI, CHAIR JOHN TRIPP, VICE CHAIR ELLEN WINKLER, SECRETARY
ALYCE DEVEAU, DIRECTOR

Minutes

June 10, 2021

Attending: Tript Sembhi, Ellen Winkler, Alyce Deveau

Presentation of the minutes from the April 15, 2021 meeting

Ellen discussed her meeting with representatives from Lavallee Brensigner Architects. Our representative from this firm, Ron Lamarre is no longer there so we will be dealing with new people.

Ellen asked them for some more representations of what the building would look like in order to do a clear presentation for the town.

Ellen worried about the procurement lases if we hired Lavallee to do more work without going out to bid. The project that we are requesting would be under \$5000 so procurement isn't a problem.

Alyce will try to set up a meeting with Marzie Galska in the Planning Department to discuss these renovations with her.

Alyce discussed a patron complaint about the fact that the library has focused a great deal of its attention this year on anti-racism. We will be branching out next year to all disadvantage peoples.

The trustees agreed that the summer hours should remain as they are with the Children's room remaining by appointment.

Alyce told them about all of the programming that will take place outside this summer.

Alyce discussed the Town wide assessment grant that the library received and the discussion that will follow from that grant.

The next meeting of the trustees will be set with Marzie Galaska. Respectfully submitted

Alyce Deveau
