

The Harbor and Waterfront Advisory Committee Meeting

Virtual Meeting Minutes
Wednesday, June 8, 2022
7:00 pm

Attending in the second floor conference room at the police Station:
Jackson Schultz, Alan Van Arsdale, Ted Dooley, Steve Speranza, Amy Powell, Ulf Westhoven, Whisky, Scott McBurney and Jay Borkland.
Also attending through Zoom: John McAllister from McAllister Engineering and Alan Van Arsdale.

- 1) Committee reviewed and unanimously approve the 5/5/22 Minutes.
- 2) Jackson reported that the town did not receive the National Fish and Wildlife Foundation (NFWF) grant but was successful in getting the Seaport Economic Council (SEC) grant extended to 1/31/23.
- 3) Jackson, Jay, John McAllister and Rich Baldwin from McAllister Engineering met with members of the Fishermen's Alliance Wednesday June 1 in the first-floor conference room at Town Hall. The meeting ended with their understanding of our concerns and they will compose a second letter with that in mind.
- 4) John McAllister will be setting up a zoom meeting with HWAC and representatives from EConcrete Tech Ltd. to discuss their product and how it may help us with the Living Reef. There will be more to report at our next meeting.
- 5) There was discussion of the Google Earth slides sent to the committee showing how the eel grass bed has changes month to month and year to year. The mapping of the eel grass is scheduled to begin late this month, weather and sea conditions pending. The company hired to do the mapping is Megalodon Environmental. LLC.
- 6) There was no community input and the meeting adjourned.
