Town Administrator Sean Fitzgerald reported on Contract Negotiations with non-union personnel. No action was taken by the board.

The Town Administrator also reported on pending litigation relative to the former Harbormaster. Town Administrator Fitzgerald reported that he had met with the former Harbormaster and the attorney that represents the Harbormaster and that it would be in everybody's best interest to settle this matter in a manner that would ensure the Town would not have to spend more time and effort litigating this matter.

It was a consensus of the board that the TA continue his conversations to settle the negotiations.
