ALYCE DEVEAU, DIRECTOR

Minutes

January 28, 2021

Attending: Tript Sembhi, Ellen Winkler, Susan Conner, Alyce Deveau

The meeting was held over zoom

The Trustees discussed the report of the Lavallee Brensinger Presentaton.

They went through the entire report making corrections, adding items that were omitted and proofing some of the material.

Alyce told the trustees that Max Kasper was out on family leave until the end of February.

The Trustees decided to wait to schedule meetings until the three trustees could review the project and decide which item to present and what the order of work would be.

John Tripp suggested that the trustees meet with the Chair of the Selectboard, Peter Spellios. John was going to contact him to see of his availability..

Respectfully submitted,

Alyce Deveau
