

The 2020 Annual TOWN Census was recently mailed to all residents. Do not confuse this with the 2020 FEDERAL Census which has also been mailed to all residents. Please return your TOWN Census to the Town Clerk's Office as soon as possible. They can be returned via regular mail, e-mail or deposited into the Town's 24hour drop box just outside the main entrance of Town Hall. As soon as Town Hall is open to the public again there will be multiple drop boxes inside Town Hall as usual. If there are no changes to your Census simply sign and return. If there are changes make the necessary changes on your Census, sign then return. Your Census needs to be updated for 2020 whether you have changes or not. The Annual Census does not register you to vote! Not returning your Census does affect your right to

vote.
Any questions please do not hesitate to contact the Town Clerk's Office 781-596-4167. If needed there is a downloadable Census form on the Town Clerk's website page: swampscottma.gov

Sue: sduplin@swampscottma.gov
