

SWAMPSCOTT WILDLIFE PRESENTATION

By Licensed State Wildlife Rehabilitator Dan Proulx

November 15th, 6:30-8pm at Swampscott High School, Room B129
(Masks recommended)

Hosted by the Swampscott Conservancy and Town of Swampscott
(Available for future viewing at the Conservancy and Town websites)

Everything you need to know about your local wildlife

Learn about:

- typical behaviors of wildlife;
- common injuries and signs of disease;
- what to do when you encounter wildlife;
- the fatal effect of rodenticides;
- who to call about wildlife issues;
- preventing injuries by dogs and cats;
- how to prevent damage to property;
- and lots more during the Q & A!

Dan is also a Problem Animal Control (PAC) agent and has years of experience as an Animal Control Officer on the North Shore
