

STAY SAFE DURING THE WINTER AND HOLIDAYS

Get vaccinated/boosted - if eligible

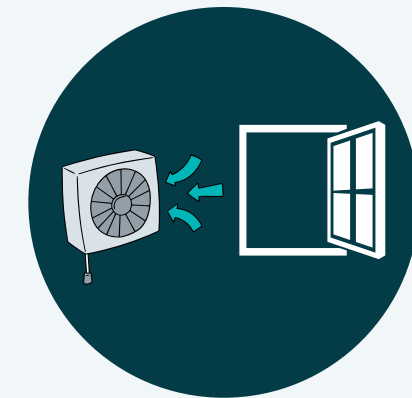

- COVID
- Flu

Wash your hands

Wear a high quality and well-fitting mask (ex. N95, KN95, or KF94)

Improve ventilation and filtration

Get tested

- If you are feeling sick/symptomatic
- If you will be around family and/or a large group of people and/or those that are young, old, and/or may be immunocompromised

Stay home if you're sick and/or test positive for COVID, flu, etc.
