Yard Waste

The Swampscott Health Department would like to remind residents of the curbside yard waste collection dates on your regular trash day.

Acceptable material includes grass, leaves, and brush trimmings up to 1 inch thick. Unacceptable material includes dirt, stumps, thicker tree branches, and loose trash debris.

Material must be placed in yard waste bags or barrels labeled “yard waste” and be out for collection by 7AM on your collection day. Yard waste placed out in plastic bags will not be accepted. Bags or barrels of yard waste that are too heavy (over 50 lbs. each) will not be accepted.

Yard waste must be on the sidewalk or in front of your property line – close to the street. The contractor cannot go onto your driveway or lawn or other private property area.

We are having conversations with the contractor to ensure all yard waste, properly placed out, will be collected within the weekly time frame as required.

Yard Waste Stickers are available at Town Hall Customer Service.

Parks & Beaches

Avian Flu on Beaches

Swampscott Police and Animal Control warned residents of a significant outbreak of the Avian Flu among aquatic birds in our area especially the beaches. Police advise

residents to stay away from and not touch these aquatic birds and to contact the Swampscott Health Department at 781-596-8864.

The man in red is running from Key West to Canada - 40 miles/day. His partner (on the bike) rides alongside! They're doing this to bring awareness to the East Coast Greenway Alliance. He made a stop in Swampscott today.

Coastal Resiliency Work at Phillips Beach Completed

At Phillips beach a shower, water fountain and dog water fountain were added.

Over the past few years, the Town has been implementing aesthetic and resiliency improvements to beach entrances, designed to promote water front access and mitigate the effects of coastal flooding. For additional information, visit the [project homepage](#).
