*EXECUTIVE ASSISTANT*

Location- Swampscott Police Station 531 Humphrey St Swampscott

Assist members of the Swampscott Police Department, who work on the newly formed Mental Health Task Force, in collecting data and forming an alternate response model to people in a mental health crisis.

Work with members of the mental health task force in positive dialogue while adhering to restrictions set forth in MOU's pertaining to information sharing.

Intern should have a focus on public health and mental health issues. Also, some knowledge or be willing to learn how the mental health professionals deal with law enforcement with 'wrap around services' to assist a person in crisis

Schedule is flexible. We are looking for 20hrs a week. Some on site work as the task force meets the first Thursday of every month at SPD. The intern will have some access to sensitive information, via computer aided dispatch) and any distribution to non-task force members is **prohibited**. Intern should be able to multitask, can compile minutes of meetings, create a tracking system, and communicate with many disciplines. Intern should not have existing court cases and be able to commute to Swampscott. There is a train station in Swampscott that can be utilized. No benefits are provided.

Inquiries and questions can be directed to Detective Ted Delano at [tdelano@swampscottpolice.com](mailto:tdelano@swampscottpolice.com) or cell 781-727-0144.
